

DATA SHEET FOR POWDER COATING PLANT

Company Name & Address :

Date :

Contact Person & Designation :

Contact No. / Mobile :

Site location :

Mail id :

1.0 COMPONENT MATRIX:

SL. No	Component Name	Weight In KGS	Size (L x W x H) In mm	Qty /shift In Nos./8Hrs	% of Production
1					
2					
3					
4					
5					

Please tick the appropriate columns:

Type of plant : Batch ☐ Conveyorized ☐
 Material Handling : Hoist ☐ Conveyor ☐ Trolley ☐
 (How will the job be handled?)
 If Conveyor : Floor ☐ Overhead ☐
 If Trolley : Manual ☐ Auto (Gear Drive) ☐

“ LET US MAKE THE EARTH A CLEANER AND SAFER PLACE TO LIVE

Office: AP 123 AF Block, 6 Street, 11 Main Road, Anna Nagar, Chennai - 600 040, TN, India.

Factory: Survey No 28/3 29/1, Pudukoyal-Arani Road, Vadakanallur Village, Ponneri Taluk, Thiruvallur District – 601 206, TN, India.

Tel: +91-44-2628 0288, 4217 0487, Mobile: +91-9444057133 / +91-9444057131

E-mail: sales@vitechindia.com/mktg@vitechindia.com

2.0 POWDER COATING PROCESS: (Please tick appropriate column)

2.1.1 PRETREATMENT - Required ☐ Not required ☐
 2.1.2 POWDER COATING BOOTH - Required ☐ Not required ☐
 2.1.3 CURING OVEN - Required ☐ Not required ☐

3.0 PRETREATMENT:

Type of PT plant : Dip ☐ Spray ☐

Process recommended by your chemical supplier

Sl. No	Chemical Process	Temp (Deg.C)	Duration Time	MOC SS/MS/FRP	Air Agitation	Pump circulation	Additional requirement	Fume Extraction System
1								
2								
3								
4								
5								
6								
7								
8								
9								
10								
11								

Heating Media Preferred : Electrical ☐ LPG GAS ☐ CNG GAS ☐
 Handling for Pretreatment : Monorail Hoist ☐ Transporter ☐ Conveyor (if Spray)
 Pump circulation PT tanks : Required ☐ Not Required ☐
 (Degreasing & Phosphating Tank to be suggested)
 Air agitation for PT tanks : Required ☐ Not Required ☐
 Fume extraction for PT tanks : Required ☐ Not required ☐
 (if required, Wet scrubber shall be offered)
 Dry Off Oven : Required ☐ Not Required ☐

Mention if any:

Office: AP 123 AF Block, 6 Street, 11 Main Road, Anna Nagar, Chennai - 600 040, TN, India.

Factory: Survey No 28/3 29/1, Pudukkottai-Arani Road, Vadakanallur Village, Ponneri Taluk, Thiruvallur District – 601 206, TN, India.

Tel: +91-44-2628 0288, 4217 0487, Mobile: +91-9444057133 / +91-9444057131

E-mail: sales@vitechindia.com/mktg@vitechindia.com

4.0 POWDER COATING BOOTH:

Type of coating : Manual ☐ Automatic (Reciprocators) ☐
 No of Operators (Manual) : Single ☐ Double ☐
 No of colors : ----- no's
 Powder Recovery : Cyclone Recovery Unit ☐ Cartridge Filter Unit ☐

5.0 CURING OVEN:

Type : Batch ☐ Conveyor ☐
 Mounting : Elevated (Camel Back) ☐ Floor ☐
 Max Operating Temperature : Natural ☐ _____ °C
 Temperature Accuracy desired : +/- 5 °C -----
 Oven heating media : Diesel ☐ GAS ☐ Electrical ☐
 Oven Application : Drying Paint ☐ Curing Powder ☐
 No of Doors : Front ☐ Front & Rear ☐
 Mass of component / Batch :
 Material Handling : Trolley ☐ Conveyor (Overhead Push Pull Trolley) ☐

6.0 PLANT:

Floor space available : _____ (L) x _____ (in metres)
 Headroom available : _____ (H) (in metres)
 Power available : _____ in HP
 Any Specific Requirement : Mention below

Note: For any assistance in completing the above please feel free to contact

Mr. D.SAM MOHAN – Business Development -9444057131
